NOTICE OF HEARING

On March 1 and 12, 2024, various companies filed their semi-annual EV Pilot Program Progress Reports and Final EV Program Reports.¹ On March 22, 2024, the EV Workgroup Leader requested procedural guidance as to whether the Commission wanted to 1) focus upcoming party comments and hearing on the evaluation of Phase I utility programs, including the success of the individual programs and issues of broader program design, like cost allocation and cost recovery, and on the appropriate role for the utilities within the EV charging sector moving forward; or 2) consider feedback on Phase I evaluations as well as Phase II proposals.

The Commission prefers option 1 and requests that written comments be filed in accordance with that preference by May 1, 2024 in Case No. 9478. The comments should be addressed to Andrew S. Johnston, Executive Secretary, Maryland Public Service Commission, William Donald Schaefer Tower, 6 St. Paul Street, 16th Floor, Baltimore, Maryland 21202. Details of the “eFile” system can be found on the Commission’s website, www.psc.state.md.us.

The Commission hereby also gives notice that it will conduct a legislative-style hearing to review the comments filed by various parties and the issues raised in the reports beginning at 10:00AM on May 16,
